

The institution for statutory accident insurance and prevention of the German building industry (**BG BAU**) herewith confirms that the company

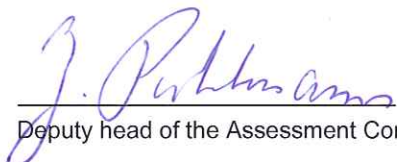

Leonhard Weiss GmbH & Co. KG
74589 Satteldorf

meets the requirements defined for a systematic and efficient occupational safety and health system in accordance with **AMS BAU (09/2005)**, the industry-related implementation of **NLF/ILO-OSH 2001**.

In the course of the assessment it was also demonstrated that the requirements in accordance with **OHSAS 18001 (2007)** have been met.

The assessment on 25.11.2009 took place on the basis of the BG regulations for the assessment of AMS BAU + OHSAS 18001.

This certificate is valid until 25.11.2012.
